

# ZS2 TechPanel™

## TechPanelTW

The revolutionary TechPanel technology is going to new heights.

TechPanel Tall Walls are an elevated, fully comprehensive, prefabricated building system that creates a fully enclosed building envelope. The **TechPanelTW** system is the perfect solution for commercial, industrial and agricultural buildings.

### Why Build with Tall Wall SIPs?

- Wall heights up to 48'
- 100'+ clear spans available
- Noncombustible free standing pre-engineered Tall Wall Solution
- Tight insulation fit around studs eliminates risk of condensation
- Highly efficient building envelope
- Wide variety of optional exterior finishes
- Wall R-Value Starting at R38
- Roof R-Values Starting at R45

 Fire Resistant	 Proprietary Formulation	 Anti-Microbial	 Weather Resistant	 Water Resistant
 No Remediation Costs	 Time Saving	 Sustainable	 Stronger	 CO <sub>2</sub> Reduction

### Contact us for a quote

Through prefabricated construction technologies, combined with advances in material science, it's time to improve safety, close the productivity gap, increase building performance, and build for the future.
